How Your Pledges Make A Difference!

When you collect pledges for the Northern Cancer Foundation and participate in the SudburyROCKS!!! Marathon you have chosen to run for a reason bigger than yourself. You are training to cross the finish line on race day and with your donation we can cross the “fundraising” finish line together! The money you raise stays in our community to support vital cancer care, new equipment purchases at the Northeast Cancer Centre and world-class research in our own backyard.

For more information regarding the Northern Cancer Foundation please call 705-690-5159, email kcacciotti@hsnsudbury.ca or visit www.ncfsudbury.com

I'm walking for my daughter who was treated at the Northeast Cancer Centre!

Samantha

Thank you for your contribution to making a meaningful impact on the lives of those who need it most in our community and on local Cancer Care!

I'm running because I am a Cancer Survivor and I know how important these funds are needed. The Northern Cancer Foundation was there to support me when I needed it most.

John

I work at the Northeast Cancer Centre and I am running for all of my patients and raising funds in their honour!

Maureen
