

SudburyROCKS!!!

Race, Run or Walk for Diabetes

on May 14, 2017

Let's run diabetes out of Sudbury

Donations from the *SudburyROCKS!!! Race, Run or Walk for Diabetes* helps the Canadian Diabetes Association provide education and services to support people in their daily fight against the disease; advocate on behalf of people with diabetes for the opportunity to achieve their highest quality of life; and break ground towards a cure.

Your donation counts!

\$50 Provides 25 healthcare professionals with tool kits so they can help their patients understand diabetes and its management – supporting hundreds of people with diabetes.

\$200 Sends a child to one of our diabetes summer camps for a day to learn diabetes self-management in an enjoyable environment with support from kids just like them.

\$100 Provides up to 75 people with support for questions related to diabetes management, programs and services..

\$500 Funds a diabetes research lab for half a day, bringing us closer to finding a cure.

Thank you for your contribution to making a meaningful impact on the lives of the more than nine million Canadians living with diabetes or prediabetes.
