

To whom it may concern,

SudburyROCKS!!! Race, Run, Walk for Cancer is not only a popular fitness event in the community, but also a charitable initiative with proceeds donated to the Health Sciences North Foundation to support leading cancer care, vital equipment purchases, and world-class research at the Shirley and Jim Fielding Northeast Cancer Centre. 2025 marks our 20th anniversary of hosting this event in Sudbury and we expect to have more than 2000 participants.

In an effort to reduce cost we are seeking corporate sponsors to help with supporting the event.

In exchange for your donation, we would like to offer you all of the benefits associated with event sponsorship. Attached, you will find the sponsorship opportunities listing, for your review and consideration. We can also provide an email outlining your support, for your use when allocating the cost as a marketing/promotional expense.

By supporting the SudburyROCKS!!! Race, Run, Walk for Cancer, you will not only be supporting the Health Sciences North Foundation and helping us achieve our goals, but you will also be contributing to the betterment of our local community and improving healthcare outcomes right here in Sudbury.

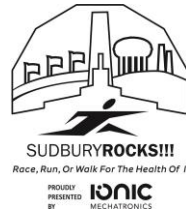

We would be honoured if you would consider supporting our event. If you have any questions or concerns, please do not hesitate to contact me (email below)

Thank you for your time and consideration.

Sincerely,

The Sudbury Rocks Organizing Committee
Shelley Walushka
